RURAL/SUBURBAN

- Many students live on campus or within walking distance
- Lots of open, green space
- Sometimes found in cities, but usually in small-large towns
- Examples: Oregon State University, University of Oregon, Western Oregon University

Western Oregon University

University of Oregon

URBAN

- Found in cities
- Some students live on campus or close to it, others commute from all over the city
- Less green space, and more incorporated into the city
- Examples: Portland State University, Pacific Northwest College of Art

Portland State University

Pacific Northwest College of Art

ONLINE

- Complete your degree from anywhere
- More flexibility, but less interaction with professors
- Have to be able to motivate yourself
