Three things that excite me about college:

- 1.
- 2.
- 3.

Two clubs I might want to join:

- 1.
- 2.

One major I want to learn more about:

- 1.

During their free time students study, do their homework, go to the gym, hang out with friends, and more! Everyone's schedule is different, and it can change from week to week. College is a great opportunity to explore different interests and build your time around what is best for you.
